

Melody Warnick

.....
Author. Speaker. Place Consultant.

A chronic mover, Melody Warnick wrote *This Is Where You Belong* (Viking, 2016) to find out what made people fall in love with their town and to discover how she too could put down roots. The studies and stories she shares, as well as the groundbreaking concept of place attachment she introduces, help Movers and Stayers alike rethink the value of community.

“An important book for so many people who are choosing their place to live.” —Richard Florida

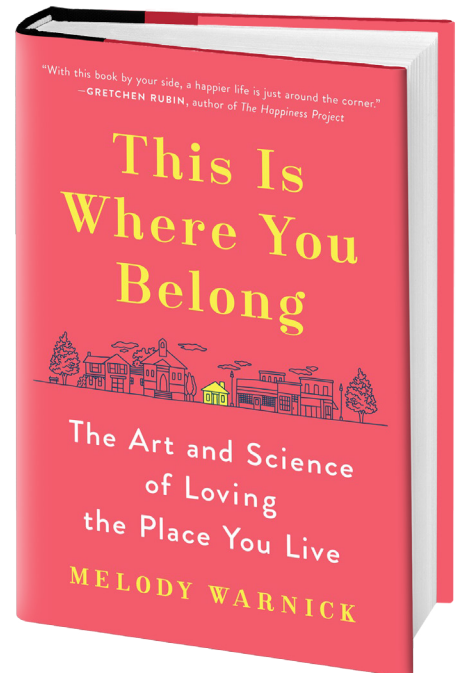

Warnick and *This Is Where You Belong* have been featured in *Time*, *The Guardian*, *Atlantic CityLab*, *Quartz*, *Reader's Digest*, *FastCompany.com*, *Psychology Today*, *Realtor.com*, *Inc.com*. As a speaker, Warnick shares the surprising findings of *This Is Where You Belong* in entertaining and inspiring keynotes, presentations, and workshops that will motivate attendees to think and act differently in their place—and to invest in their city to make it better.

Presentations and Workshops

.....

- ① This Is Where You Belong: How the science of place attachment can help you love where you live
- ② Move Here!: Attracting and retaining businesses and residents by creating a more livable city
